

First Aider

The First Aid team are responsible for assisting our guests if anyone in the Park is injured or suddenly taken ill prior to the arrival of a paramedic, if needed.

The department is based within a First Aid facility, but the role will also involve deployment around the Park. The Security Department controls all first aid incidents with First Aiders working alongside in harmony. Teamwork is an essential part of the department's structure.

Seasonal hours can vary depending on operational requirements, but would normally commence at 10am, with the latest finishing time being about 9pm. These times are approximate and a flexible approach to hours and days worked would be an advantage together with a good sense of time keeping.

Salary: £6.50 per hour plus benefits
