

Security Officer

The Security department includes numerous diverse responsibilities, including responding to routine or emergency situations, with no two days being the same. Duties can range from looking for and re-uniting lost children to responding to fire alarm activations. The department also controls all first aid incidents within the park with support from the First Aid team.

The department operates the In-Park communication system which ensures the daily operation in the Park runs smoothly. Gatehouse duty is another important role as it is often the first point of contact for both visitors and guests. Teamwork is an essential part of the department's structure.

Salary: £6.30 per hour plus benefits

The Person

We aim to provide the highest standards of service and enjoyment for our guests, so the following attributes are essential to be part of the LEGOLAND Windsor team:

- Well groomed personal appearance
- Friendly, outgoing personality
- Confidence and a real desire to interact with children
- Ability to work as part of a team
- A willingness to work hard and have fun at the same time
- Driving Licence is desirable

A driving licence is desirable as you may be required to respond to an incident using one of the Security vehicles. Other driving duties can include transporting guests around the park (first aid incidents / lost children etc).
