ACCESSIBILITY GUIDE

This policy is designed to assist guests with disabilities, ensuring you have a safe, fun-filled day and the right expectation of our attractions. Certain rides and attractions in our Resort can be physically demanding and vigorous. Your health and safety is our number one priority, therefore we reserve the right to refuse admission to certain rides should we feel there is a danger to a particular individual for any reason. We have been advised by the Health and Safety Executive that refusal on the grounds of health and safety does not constitute discrimination.

NAVIGATING THE RESORT

PATHWAYS

The pathways are suitable for wheelchairs and mobility scooters; however, they can be steep in sections and guests may require additional assistance. An alternative route to the steep pathways on entry and exit is to take the Hill Train or the route through Bricktopia. Please refer to our Resort Guide that highlights which pathways have stairs.

SHOPS & RESTAURANTS

All shops and restaurants are wheelchair accessible. Please speak to a member of the team if you need any assistance.

HIRING A WHEELCHAIR AND MOBILITY SCOOTER

A limited number of wheelchairs are available to hire from Guest Services and the Total Sensory Space on a first-come, first-served basis. Please note you will be required to pay a refundable deposit on collection. A limited number of mobility scooters are available to hire online, with collection from the LEGO® Store on a first-come first-serve basis. Alternatively, please speak to a team member in any of our shops.

ASSISTANCE DOGS

All registered assistance and emotional support dogs are welcome at the LEGOLAND Windsor Resort. Please note, assistance and emotional support dogs are not allowed on rides. Assistance and emotional support dogs must be supervised by the party or group and kept on a lead at all times. They cannot be left unattended whilst the guest goes on the rides.

ACCESSIBILITY RIDE RESTRICTIONS AND ACCEPTANCE OF USE

Guests must read all of the information about our ride and attraction's requirements within this guide before joining each ride queue.

If you have a physical impairment, it is your responsibility to assess the ride for potential risk before riding. In the event of a ride evacuation or emergency, guests with physical impairments may be evacuated using specialist equipment. Be aware there may also be a long delay due to equipment used. Please speak to the ride operator or the Accessibility Experience Team if you have any questions.

Unless otherwise stated, guests must be able to transfer into and out of all ride carriages either on their own or with the assistance of their carer.

Please be aware Pirate Falls have moving turntables and guests must be able to get on and off the ride under 30 seconds. If you need more information, please consult to our Ride Flashcards, SMS service or speak with a team member at the ride before boarding.

Some of our ride carriages have seat belts as well as restraints which must be worn at all times.

If you need assistance with stair lifts, lifts or anything else on the day please use our SMS service to communicate with the Accessibility Experience team.
